On 27 May 2010, the Company provided the Corporate Guarantee in favour of the Bank in connection with the Loan Facility granted by the Bank to the Borrower, being an associated company indirectly held as to 40% by the Group.

As the applicable percentage ratios (as set out in the Listing Rules) are more than 5% but less than 25%, the provision of the loans and the guarantees in aggregate in the last 12 months for the benefits of the Borrower constitutes a discloseable transaction for the Company under Chapter 14 of the Listing Rules.

BACKGROUND

On 29 April 2010, the Bank entered into the Loan Facility Letter with the Borrower and pursuant to which the Bank agreed to grant a Loan Facility in a principal amount of RMB50 million (equivalent to approximately HK$57 million) to the Borrower for financing its expansion of car dealership business in the PRC. The Borrower, a company incorporated in the PRC with limited liability, is an associated company indirectly held as to 40% by the Group.

The conditions precedent to drawing by the Borrower under the Loan Facility Letter, among other things, is the delivery of the Corporate Guarantee to the Bank. The Loan Facility, subject to a total maximum amount of RMB50 million (equivalent to approximately HK$57 million), are available for draw down as long as they are not terminated by the Bank and bear interest at commercial rate as agreed between the Bank and the Borrower.

To the best of the Directors’ knowledge, information and belief and having made all reasonable enquiries, the Bank and its ultimate beneficial owners are third parties independent of the Company and its connected persons (as defined under the Listing Rules).
The Company has given the Corporate Guarantee in favour of the Bank for the repayment of the Loan Facility and accruing interest owed by the Borrower and the due performance and observation of the terms and conditions in the Loan Facility in case of the Borrower’s default. As the applicable percentage ratios (as set out in the Listing Rules) are more than 5% but less than 25%, the provision of the loans and the guarantees for the benefits of the Borrower in aggregate in the last 12 months constitutes a discloseable transaction for the Company under the Listing Rules.

THE CORPORATE GUARANTEE

On 27 May 2010, the Guarantors executed the Corporate Guarantee to the Bank, whereby each of them agreed to guarantee for all the debt obligations of the Borrower pursuant to the Loan Facility Letter. No fee or commission is payable by the Borrower to the Company for the provision of the Corporate Guarantee.

In case the Borrower fails to make due and punctual repayment of the amount due under the Loan Facility or breach any undertakings set forth under the Loan Facility Letter, each of the Guarantors will be jointly and severally responsible for repayment of the Loan Facility plus any related interests, penalties and expenses incurred by the Bank in relation to the enforcement of the Loan Facility Letter and the Corporate Guarantee.

prospects of the car dealership business in Chengdu and believes that it represents a good opportunity for the Company to sustain the Group’s long-term growth objective. Being one of the owners of the Borrower, the Directors consider it in the interest of the Company to provide the Corporate Guarantee to support the funding required by the Borrower. Given that Qi Yang is also providing the Corporate Guarantee on a joint and several basis, the Directors are of the opinion that the guarantee arrangements under the Loan Facility are on normal commercial terms and are fair and reasonable and in the interests of the Company and its shareholders as a whole.

The provision of the Corporate Guarantee under the Loan Facility Letter will not have any immediate effects on the earnings, assets and liabilities of the Company. The Company will use its internal resources to discharge its liabilities should any obligation arise under the Corporate Guarantee.
