During his years of appointment, Dr Chow has not been involved in the daily management of the Company nor in any relationships which would interfere with his independent judgment, and he has demonstrated his ability to provide an independent, balanced and objective view to the Company's affairs. The Company is of the view that Dr Chow meets the independence guidelines set out in Rule 3.13 of the Listing Rules and is regarded as independent in accordance with the terms of the guidelines. Notwithstanding the length of his service, the Company believes that Dr Chow's valuable knowledge and experience in the Group's business and his general business acumen will continue to benefit the Company and the shareholders as a whole. Save as disclosed above and as at 15 July 2015, being the latest practicable date prior to the printing of this circular (the “Latest Practicable Date”), none of the Retiring Directors (i) hold any directorship in any listed public companies in the last three years; (ii) hold any position in any member of the Group nor they have any relationship with any other Directors, senior management, substantial shareholders or controlling shareholders of the Company or its respective associates; (iii) have any interests in the shares of the Company or its respective associates which are required to be disclosed under Part XV of the SFO; and (iv) have any service contract between the Company and them nor they have any specified term for the length or proposed length of service with the Company in respect of their directorship. In relation to the re-election of the Retiring Directors, there is no information to be disclosed pursuant to any of the requirements under rules 13.51(2)(h) to 13.51(2)(v) of the Listing Rules, nor are there any other matters concerning them that need to be brought to the attention of the shareholders of the Company.

GENERAL MANDATE TO ISSUE SHARES

Resolution 5 to be proposed at the 2015 Annual General Meeting (“Resolution 5”) relates to the granting of a general mandate which will empower the Directors of the Company to issue new Shares not exceeding 20 per cent of the aggregate nominal amount of the share capital of the Company in issue at the date of passing of the resolution (including making and granting offers, agreements and options which would or might require Shares to be issued, allotted or disposed of) during the period up to the next annual general meeting of the Company, or at the expiration of the period within which the next annual general meeting of the Company is required by law to be held, or on revocation of Resolution 5 by an ordinary resolution of the shareholders at general meeting, whichever is the earliest.

As at the Latest Practicable Date, there were 299,990,835 Shares in issue. Therefore, subject to the passing of the proposed Resolution 5 at the 2015 Annual General Meeting and on the assumption that no additional Shares will be issued and that prior to the date of the proposed resolution, no Shares will be repurchased by the Company, the Company would be allowed under the mandate to issue a maximum of 59,998,167 Shares.

GENERAL MANDATE TO REPURCHASE OF SHARES

The Company is allowed by its Memorandum of Association and Bye-laws and the applicable laws and regulations of Bermuda to repurchase its own Shares.

Resolution 6 to be proposed at the 2015 Annual General Meeting (“Resolution 6”) relates to the granting of a general mandate to the Directors of the Company to repurchase, on the Stock Exchange, the Shares up to a maximum of 10 per cent of the issued share capital of the Company as at the date of the proposed resolution (the “Repurchase Mandate”).

The Shares to be purchased by the Company are fully paid-up. As at the Latest Practicable Date, there were 299,990,835 Shares in issue. Therefore, subject to the passing of the proposed Resolution 6 at the 2015 Annual General Meeting and on the assumption that no additional Shares will be issued and that prior to the date of the proposed resolution, no Shares will be repurchased by the Company, the Company would be allowed under the mandate to repurchase a maximum of 29,999,083 Shares.

REASONS FOR REPURCHASE

The Directors of the Company believe that the Repurchase Mandate is in the interests of the Company and its shareholders. Trading conditions on the Stock Exchange have sometimes been volatile in recent years and the Shares were trading at a substantial discount to their underlying net

asset value. Repurchases of the Shares may enhance the Company's net asset value per Share and earnings per Share. In these circumstances, the ability of the Company to repurchase the Shares can be beneficial to those shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of the Shares repurchased by the Company. Furthermore, exercise of the mandate granted under the Repurchase Mandate by the Directors of the Company would increase the trading volume of the Shares on the Stock Exchange.

The Directors of the Company do not expect there to be any material adverse impact on the working capital or gearing position of the Company, as compared with the position disclosed in the latest audited financial statements of the Company for the year ended 31 March 2015, as a result of repurchases made under the Repurchase Mandate even if the mandate is exercised in full. However, no purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements) unless the Directors of the Company consider that such purchases would be in the best interests of the Company notwithstanding such material adverse impact.

FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and Bye-laws and the applicable laws and regulations of Bermuda which provide that the Shares may be repurchased out of the profits of the Company and/or out of the proceeds of a fresh issue of the Shares made for this purpose and/or even out of the capital paid up on the repurchased Shares.

DISCLOSURE OF INTERESTS

The Directors of the Company have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed Resolution 6 in accordance with the Listing Rules and all applicable laws of Bermuda.

None of the Directors of the Company nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) presently intend to sell the Shares to the Company under the Repurchase Mandate in the event that the Repurchase Mandate is approved by shareholders at the 2015 Annual General Meeting.

Meanwhile, the Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them to the Company, in the event that the Repurchase Mandate is approved by shareholders at the 2015 Annual General Meeting.

If, on the exercise of the powers granted under the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of rule 32 of The Codes on Takeovers and Mergers and Share Buy-backs (the "Takeovers Code"). As a result, a shareholder or a group of shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of such increase, may obtain or consolidate control of the Company and thereby obliged to make a mandatory general offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date and insofar the Directors of the Company are aware of, the substantial shareholders of the Company are as follows:

Name of Substantial Shareholder	Capacity	Number of Shares held	at present	% of Issued Share Capital if power is exercised in full to repurchase Shares
			<i>%</i>	<i>%</i>
CHOW Yei Ching	Beneficial owner	189,490,248	63.17	70.18
MIYAKAWA Michiko	Beneficial owner	189,490,248	63.17	70.18

Note:

Under Part XV of the SFO, Ms Miyakawa Michiko, the spouse of Dr Chow, is deemed to be interested in the same parcel of 189,490,248 Shares held by Dr Chow.

In the event that the Directors of the Company shall exercise in full such powers under the Repurchase Mandate and on the basis that there is no other change in the then issued share capital of the Company, the interest of the above substantial shareholders would be increased to approximately the percentage shown in the last column above. The Directors of the Company consider that such increase would not give rise to an obligation to make a mandatory offer under rule 26 of the Takeovers Code.

The Directors will not repurchase shares if the repurchase would result in the number of the Shares which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

REPURCHASE OF SHARES MADE BY THE COMPANY

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the date of this circular.

EXTENSION OF GENERAL MANDATE TO ISSUE SHARES

Resolution 7 to be proposed at the 2015 Annual General Meeting (“Resolution 7”) relates to the extension of the 20 per cent general mandate to be granted. Subject to the passing at the 2015 Annual General Meeting of Resolution 5, Resolution 6 and Resolution 7, the Directors of the Company will be given a general mandate to add all those number of Shares which may from time to time be purchased under the Repurchase Mandate to the 20 per cent general mandate, thus, the limit of the share issue mandate would include, in addition to the 20 per cent limit as aforesaid, the number of Shares repurchased under the Repurchase Mandate.

2015 ANNUAL GENERAL MEETING

The notice convening the 2015 Annual General Meeting is set out on pages 8 to 10 of this circular.

A form of proxy for use at the 2015 Annual General Meeting is being sent to the shareholders together with this circular. Whether or not you are able to attend the meeting, please complete the accompanying form of proxy in accordance with the instructions printed thereon and return the same to the Company’s Branch Share Registrar in Hong Kong, Tricor Standard Limited at Level 22, Hopewell Centre, 183 Queen’s Road East, Hong Kong as soon as possible and in any event not later than 48 hours before the time appointed for holding the meeting or any adjourned meeting. Completion and delivery of the form of proxy will not preclude you from attending and voting at the 2015 Annual General Meeting if you so wish.

VOTING BY POLL

Under Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Accordingly, the ordinary resolutions proposed at the 2015 Annual General Meeting will also be taken by poll. A poll results announcement will be made by the Company after the 2015 Annual General Meeting in accordance with Rule 13.39(5) of the Listing Rules.

RECOMMENDATION

The Directors consider that the re-election of the retiring Directors, the Share Issue Mandate, the Repurchase Mandate and the Extension of Share Issue Mandate are in the best interests of the Company and its shareholders and accordingly recommend all the shareholders to vote in favour of the relevant resolutions to be proposed at the 2015 Annual General Meeting.

Yours faithfully
For and on behalf of the Board
